CD 100B update I finally got thru the optical switch adjustment procedure, the process went as described in the manual. I then did a full initialization. During the initialization, has several quirks: Slot number still off by ~6, grabbed 2 discs multiple times, placed them back in the carousel skewed thus causing more issues.

I have a Rowe CD-100C jukebox out on location that is eating my lunch. The location called and told me the title pages would not turn. Upon arrival, I noticed all the pages had been turned to one side (#00-11) and the title page turn buttons had no response when pushed. I opened the door and tried the title page switch inside the cabinet.
