Aesthetics, also spelled esthetics, the philosophical study of beauty and taste. It is closely related to the philosophy of art, which is concerned with the nature of art and the concepts in terms of which individual works of art are interpreted and evaluated.

aesthetics | Definition, Approaches, Development, & Facts ...

Aesthetics may be defined narrowly as the theory of beauty, or more broadly as that together with the philosophy of art. The traditional interest in beauty itself broadened, in the eighteenth century, to include the sublime, and since 1950 or so the number of pure aesthetic concepts discussed in the literature has expanded even more.
