Ancestral Lines: The Maisin of Papua New Guinea and the Fate of the Rainforest. More than a century of interaction with colonial and global agencies and forces have brought many changes to the lives of the Maisin people who live on the northeastern coast of Papua New Guinea. Yet ancestral traditions continue to strongly inform their way of life.

### Ancestral Lines: The Maisin of Papua New Guinea and the ...

The first chapter of John Barker's Ancestral Lines begins with the story of how he and his wife, Anne, moved to the small village of Uiaku, Papua New Guinea. In his description of their arrival and work regimen, a variety of themes are generalized in order to give readers a certain level of background information on topics that will be discussed more thoroughly in later chapters.
