Ashen Winter (Ashfall, #2) by Mike Mullin - Goodreads

Ashen Winter was a fascinating story that once again really dives into disaster and humanity (or lack thereof), but at the end of the day, I don't feel like the book was much different from Ashfall.

The writing had some minor glitches, in my opinion, and the author narrated it himself, which affected my overall opinion.

Narrators can really make or break a book. A professional actor can add voices and emotion to a story that help bring it to life. I would give Ashen Winter a 3.5 stars if I could, because I do feel it's better than a 3.
