Chained in silence : Black women and convict labor in the ...

"Today black women are still afflicted by the social, political and economic vices that predisposed them to arrest, conviction and incarceration in the past...In order to better understand the modern carceral state and the complex relationship black women have with it, we must confront the past and listen even when it seems to be silent."

just brilliant: Chained in Silence: Black Women and ...

Chained in Silence details a convict lease system that moved from private companies to public agriculture to state prison farms and chain gangs. In the process, many Black women's (and men's) lives were completely consumed by the grueling, dangerous, and exhausting work of railroad building, coal mining, brick making, and lumberjacking.
