Glencoe Chemistry: Matter and Change combines the elements students need to succeed! Florida EDITION, with NGSSS requirements. A comprehensive course of study designed for a first-year high school chemistry curriculum, this program incorporates features for strong math support and problem-solving development.

Glencoe Chemistry Workbook Answer Key

Change is happening all around us all of the time. Just as chemists have classified elements and compounds, they have also classified types of changes.

Changes are either classified as physical or chemical changes. Chemists learn a lot about the nature of matter by studying the changes that matter can undergo.
