What is COMINT (communications intelligence)? -

Definition ...

The phrase Emotional Intelligence was popularized by Daniel Goleman in a book with that name published 20 years ago. Since then this phrase has become almost a cliché; but that doesn't change the power of the concepts or the value to you as an individual trying to communicate more effectively and get better results with others.

Communicating with Emotional Intelligence

You should communicate with emotional intelligence because it more productively gets your message across, and it also fosters meaningful connection. Think about it.

Communicating With Emotional Intelligence | by Jenn M Choi ...

Communication with extraterrestrial intelligence or CETI, is a branch of the search for extraterrestrial intelligence that focuses on composing and deciphering interstellar messages that theoretically could be understood by another technological civilization. The best-known CETI experiment of its kind was the 1974 Arecibo message composed by Frank Drake.
