OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site.

Corporate Venture Capital Bcg Global

Today's deeply unsettled business environment is disrupting the realm of corporate venturing, evidenced by a 24% year-over-year global decline in CVC-backed deals in the first quarter of 2020. 1 Notes: 1 CB Insights, "Covid-19 Is Dragging Down Corporate Venture Capital Investment," April 1, 2020. While a few companies have responded to the crisis by accelerating venturing activities, others are paralyzed by recent events, and some have rushed to close down their venturing activities.
