Duplex Kathryn Davis

Defies description, because I'm not Kathryn Davis. In a nutshell, it centres on lives on a street of duplexes and sycamores, at some undefined time which seems like the 1950s or 1960s, but your understanding of what surrounds the participants keeps being augmented by oddities - the robots who live in some of the houses, the sound of raptors in the sky, scows overhead, the sorcerer Body-without-Soul who Whoa.

Duplex by Kathryn Davis - Goodreads

Kathryn Davis is clearly a remarkable writer, and she has created a distinct style. It reminds me of a feminine William S. Burroughs, where dream content mixes with the real world inseparably. It's amazing how she sustains this disorienting, vaguely menacing tone throughout. Some of the
