The ETC Easy Temperature Calibrator can measure temperature from -10 to 400°C.

ETC Series - Easy Temperature Calibrator

To use "etc." correctly, use it in instances where you would say "and so forth." For example, if you are making a list of possible desserts and want to express that there could be more items than the ones you have listed, write "cakes, cupcakes, ice cream, etc." Do not use "etc." more than once and do not use "etc." to refer to people.

The Easiest Way to Use "Etc." Correctly - wikiHow

Welcome to Machine Knitting etc - All Manuals are Free. This is a work in progress and your contributions are encouraged and will help make this effort a continuing success. We are looking for any additional manuals especially non English manuals as they seem difficult to find.
