### Bennett Racing Engines

MPR has built Two engines for me and I strongly recommend MPR Racing Engines to all of my friends! My first MPR Racing Engine was a supercharged 427' SBF which made over 1,000 horsepower. The next engine Tim Eichhorn and the crew at MPR built for me was a Coyote Modular Motor which made well over 1,000 horsepower- first with a supercharger and later swapped to a twin turbo setup.

### MPR Racing Engines

You can have the greatest chassis in the world, but the power plant for your race vehicle is the engine. From crate engines for drag racing, circle track racing, street cars, and off-road, from small block V8 to sealed engines, from LS drag race beasts with modified camshafts to superchargers, from sealed factory crate engines to hand-built customs, the engine you need to win can be found here.
