Gravely no longer offers a complete kit like this for their new blade. Their Quick Hitch Blade Adapter that fits the new snow plow is priced over \$200.00 for the main bracket alone, but will not hold the blade upright when disconnected from the power unit. Other parts such as the pins (almost \$40.00 worth) are sold separately. NOTE:

...

Seat pan and hood have been professionally painted (ppg base/clear). Power steering. Front pto with gear reduction box. Comes with 72" plow and 48" snow blower. Snow blower easily throws snow 50 feet. Original Onan engine runs beautifully. All maintenance is up to date. I have never seen another 24g for sale with front pto, snow blower, or plow.
