Amazon.com: Harley Davidson Engine Oil

Oil leaks were as part of the Harley image as the unique engine note. However, as the newer Japanese models became popular, those oil leaks led to a decline in sales of Harley bikes. Japanese motorcycles such as Honda had oil-tight engines that never left oil puddles as Harleys did.

Do Harley Davidson Motorcycles Leak Oil? (Solved ...

Remove the oil cap, this can be found on the right side of the motorcycle just below the seat. This releases pressure and will allow the oil to drain more easily. Unlike other motorcycles, the Harley Sportster Evolution engine uses an oil drain tube, if you don't have an oil drain tube, these aren't the right instructions.

Change Oil Harley Davidson Sportster : 10 Steps ...

It was my first oil change with a Harley and my instruction-book(manual) told me to fill 2.8 Liters in it after running the engine for "some time" and draining all oil. I ran the engine for approximately 2 mins. After that I let the oil drain for 10 - 15 mins until no more drop came out of the engine anymore.
