Safety data sheets for the cooling fluids mentioned are available from KAESER. 1.8.2 KAESER cooling fluid Several types of cooling fluid specially developed for use in KAESER's rotary screw compressors are available. Characteristics such as absorption of water, lubrication and resistance to aging are excellent.

SERVICE MANUAL - AMCOR

KAESER filter elements are protected by inner and outer cages made from continuously welded profiled stainless steel. These cages are far more resistant to mechanical stress than those made from simple expanded metal. Corrosion-protected aluminium housing The enclosures of KAESER FILTER products are cast from seawater-resistant aluminium.
