What are the models of curriculum development? Current curriculum

Online Library Model Curriculum Bihar Skill Development Mission

models can be broken down into two broad categories—the product model and the process model. The product model is results-oriented. Grades are the prime objective, with the focus lying more on the finished product rather than on the learning process.

Curriculum Development and The 3 Models Explained | Top Hat

Skills and knowledge are the driving forces of economic growth and social development in a country. As opposed to developed countries, where the percentage of skilled workforce is between 60% and 90% of the total workforce, India records a low 5% of workforce (20-24 years) with formal vocational skills.
