4.5/5 stars It's all about the crew of Rocinante, and that's the main reason why Nemesis Games is the best book in the series so far. Here we are at the halfway point of the series. Nemesis Games, the fifth volume in The Expanse series by James S.A. Corey, once again put Holden, Naomi, Alex, and Amos in a tough spot. But get this, for the first time in the series, we finally have an entire ...

Nemesis Games (The Expanse, #5) by James S.A. Corey

Nemesis Games didn't quite grab me like the previous books. Some interesting character development but I would have liked to see the central story progress a lot more within the given space. I am reminded of another popular series, which started great but by book 6 it was obvious the author was just stringing things out over too many books.
