REVELATION SPACE is a fantastic science fiction novel where the galaxy is a very large, old place and everyone in within it in has their own motivations.

**Review: Revelation Space by Alastair Reynolds - EItist ...**

The Revelation Space fictional universe depicts a fictional future history of humanity, within the trappings of a space opera milieu that has a generally hard science fiction focus. Reynolds' RS narratives are considered part of the wave of "New Space Opera" works, by mostly British science fiction authors, which began roughly in the late 1990s and continued throughout the early decades of the 21st century.
