Natural Remedies For Dogs With Bad Breath - The Farmer's Dog

Here are five things to do to figure out a dog's natural energy level. Look at the breed — a little Dogs see themselves as animal, species, breed, and then name, so a dog's breed is not the most important thing about them. However, their breed or mix can give you an idea whether they might lean toward higher energy.

Dog energy levels | Cesar's Way

Dogs also dislike the smell of citrus, leading some homeowners to use orange, grapefruit, or lemon peels as dog repellents (for that reason, lemon ammonia can be considered a canine double whammy). While these fruit peels are natural and easy to obtain, their use will probably have to be restricted to backyard garden areas, where they are out of public view.
