The Inquisition's secret procedures, its eagerness to accept denunciations, its use of torture, the absence of counsel for the accused, the lack of any right to confront hostile witnesses, and the practice of confiscating the property of those who were condemned and sharing it between the Inquisition, the crown, and the accusers—all this inspired great terror, as indeed it was meant to do. The number of those condemned for heresy was never very large and has often been exaggerated by ...

**Spain - The Spanish Inquisition | Britannica**

Torture was used only to get a confession and wasn't meant to actually punish the accused heretic for his crimes. Some inquisitors used starvation, forced the accused to consume and hold vast quantities of water or other fluids, or heaped burning coals on parts of their body. But these methods didn't always work fast enough for their liking. Strappado is a form of torture that began with the ...
