Physics, 4th Edition. Interactive Figures, marked with an icon in the text, are designed to be flexible in their application—they can be used in lecture, as a “virtual lab,” or as a component of a homework assignment. By giving direct visual feedback to the student, they help to reinforce what is being learned and to provide an additional pathway of understanding.

Walker, Physics, 4th Edition | Pearson

Walker generally presented clear, in-depth explanations for non-physics majors and provided a variety of worked example problems throughout each chapter. Some reviewers complained that he does not provide enough worked-examples, but you can't expect the author to show how to do every single type of physics problem encountered- the book would be ...
