The monster warlords have been destroyed, and the NPC villages are flourishing. But an old warning still echoes in the young NPC Watcher's mind: "Krael, the new Wither King, will bring back his army, as the monster warlocks predicted, and take their revenge on all of the Far Lands." Watcher is right to be suspicious.

The ending of the Witcher series by A. Sapkowski is a source of a lot of controversy. I was wondering if I can find some clarification here. Opinions of what actually happens after the fighting in Rivia range from (a) everybody lives happily ever after, in particular Geralt and Yennefer both live and get married to (b) both Geralt and Yennefer simply die. There are of course a number of ...

The War of the Two Unicorns was a particularly bloody conflict fought from 1309 to 1318 between unknown combatants. They could be two scions of the Unicorn dynasty in Kaedwen because the unicorn was its emblem. Centuries later, it was mentioned in the Encyclopaedia Maxima Mundi as having been prophesied by Ithlinne, a legendary Aen Seidhe seeress who lived years before it happened.
